Wonder what President Taft will say in his first message? Hasn't T. R. said it all before?

However the cat jumps, Senator Foraker won't be apt to drink a toast to President Taft out of the loving cup given him by the Negroes of Washington.

All matter for publication must be handed in before 9 o'clock a. m.

President Taft expects to go to New York Thursday to speak at a great meeting to be held in Carnegie Hall on the afternoon of that day in memory of Grover Cleveland. Mayor McClellan will preside over the exercises and in addition to the President the speakers will be Chief Justice Fuller of the United States Supreme Court, and Governor Hughes of New York.

Miss Lillie Waller of Chicago is here, the guest of her brother, Dr. Maurice Waller, and Mr. J. James Wood, and Rev. James Waller of Huntington, W. Va., is also their guest. They came to attend the wedding of their niece, Miss Elizabeth Langhorne Waller, to Mr. Shelby Mitchell Blatterman, which nuptial event occurs next Wednesday at the First Presbyterian Church.

With favorable weather the tobacco crop of Kentucky this year may reach a total of 400,000,000 pounds. It is to be hoped that nature won't help in cutting out the crop.

OKLAHOMA is young, but she's up-to-date, as shown by the following news item:

While F. S. Streck, a Tulsa grocer, was spending the day with his family in the country, a crook entered the store and opened up for business yesterday morning. For six hours he had a rushing trade, then closed the place, taking with him the morning's receipts, amounting to \$75. He made good his escape.

The K. of P. Minstrels, which closed a three-nights' engagement at Dover Saturday evening, was one of the most profitable and enjoyable successes ever given in this county. Packed houses greeted the show every evening and the gross proceeds totaled about \$150. The minstrels will visit Ripley, Augusta and Germantown and we see no reason why the excellent aggregation should not give one performance in Maysville, as the troupe is said to be above the ordinary for amateurs.

LEXINGTON, KY., March 13th.—The annual meeting of the Kentucky Dairy Cattle Club closed this morning with the adoption of a resolution that the next General Assembly will be asked to enact a law requiring a certificate showing that any stock cattle entering the State of Kentucky has been previously subjected to the tuberculosis test.

J. W. Newman, the newly-elected President of the Club, appointed M. A. Sevel, Lexington; A. J. Weibel, Louisville; W. D. Nichols, Bloomfield; S. W. Lee, Cincinnati, and Stanley Milward, Lexington, as an Executive Committee. The meeting was one of the most successful ever held in the State and next year's will be attended by thousands.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running ear or imperfect hearing, and when it is closed, deafness is the result, and unless the inflammation can be taken out of this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Make Hall's Family Pills for constipation.

JOHN BRUER FARROW.

John Bruer Farrow died Friday night at 10:30 o'clock at his home near Mt. Gilead, after an illness of several weeks.

It will be remembered that some four or five years ago Mr. and Mrs. Farrow were attacked by three Negroes, at which time Mr. Farrow received two bullet wounds. They could not be removed at that time and several weeks ago an ulcer formed in his side from one of them, causing him untold suffering and lastly his death.

He was a son of Orson D. and Elizabeth Bruer Farrow, and was born December 19th, 1833, in this county, and was married to Martha Jane Bramel August 6th, 1857.

He is survived by his wife and four children—Samuel T. Farrow and Mrs. L. T. Gaebke of this city and Charles H. and Robert Clayton Farrow of the county—and one sister—Mrs. Henry Esle of Clifton, Greene county, Ohio. The burial took place Sunday morning at 11:30 o'clock at Mt. Carmel Cemetery.

ELIZA MADDOX JOHNSON.

Mrs. Eliza J. Maddox Johnson, one of the oldest residents of Maysville, died last night at 10:30 o'clock at her home in Lee street, after a prostration of several months, her death being solely due to the infirmities of venerable age.

Deceased was the daughter of Baylor and Elizabeth Johnson, pioneers long since passed away, and was born in Bourbon county, near the Mason line, August 22d, 1822. Her husband Ezekiel Johnson, passed away during the Civil War in the South with the Confederate Army.

Two children were born to them, Mr. Alexander Johnson, who resided with his aged mother, and who has been very devoted to her during the long days and weary nights of her illness, and one daughter, Miss Bettie Johnson, now of Covington, Ky.

Deceased was a member of the Central Presbyterian Church and was noted for her extreme kindness of heart and charitable actions. If there was any help or sympathy needed in the home "Aunt Eliza" was always at hand to minister to the sick or the dying.

The funeral will take place tomorrow afternoon at 2 o'clock at her late home, with services by Rev. B. F. Chatham of the First M. E. Church, South, in place of Rev. W. W. Akers. The interment will follow in the Maysville Cemetery.

ISAAC PEGGS.

Mr. Isaac Peggs died at 6:30 o'clock Saturday evening at his home at Lawrence Creek, aged 84.

He leaves three sons and one daughter—Mrs. James Hixon and John Peggs of Mt. Sterling, George Peggs of Versailles and James Peggs of Mason county.

Funeral took place this morning at 11 o'clock from the house, with services by Rev. W. W. Hall.

Interment in Charleston Bottom Cemetery.

WHOLESALE ROBBERY

George H. Frank & Co.'s Clothing Store Visited Last Night and a Large Amount of Goods Taken

Some time last night the clothing establishment of George H. Frank & Co. in West Second street was entered and ransacked, not a department in the large room escaped being despoiled.

On opening up the store this morning the clerks were amazed to find goods of all kinds and descriptions scattered promiscuously over the floor, and on further investigation it was found that thieves had been there and helped themselves in a plentiful manner.

Just what Mr. Frank's loss will amount to had not been ascertained at the hour of THE LEDGER going to press, but that it will run up into big figures is almost a certainty.

An entrance was made by prying off iron bars over a window in the rear end of the room.

They were evidently professional thieves and knew their business, judging from the manner in which they accomplished the job.

The goods were hauled away in some kind of a vehicle, as the track of the wheels was plainly to be seen this morning. No doubt it is the same gang that has been depredating in the county and carrying their swag in a buggy.

The till at the St. Charles Hotel was tapped Saturday night and several dollars taken.

THIN FOLKS MADE FAT

Good, healthy flesh can only be gained by the use of the proper food, together with natural action of the organs of assimilation. Nine people out of ten, in order to weigh as much as they ought and be perfectly healthy, should use Samose, the great flesh-forming food and health restorer. Weigh yourself before commencing to use these little tablets and see how your weight increases from week to week.

Samose does not contain a particle of starch or pepsin, nor is it any nauseating preparation such as is usually recommended to make people fat and which does not build up good healthy tissues. Samose has valuable flesh-forming properties, tones up and strengthens the whole system, helps the food that is eaten to be assimilated in a natural manner and absolutely restores health to all the organs.

If you are not perfectly satisfied with the results from Samose J. Jas. Wood & Son will return your money without any quibbling. Sent postpaid on receipt of price, 50c.

A DANGEROUS COUGH

Wife of Newark (Ohio) Man Had Symptoms of Consumption. Was Badly Run Down and Reduced in Flesh

RESTORED TO HEALTH BY VINOL

"About two years ago my wife was in very poor health. She had no appetite, was much reduced in flesh, and for three months had a very bad cough, with all the symptoms of consumption. Vinol was recommended and she began taking it; before the first bottle was used her appetite was better, and she was improving in health; by the time she had taken three bottles the cough was gone. She is still taking Vinol and cannot say too much in its praise." N. L. Stebleton, Newark, Ohio.

The reason that Vinol is so successful in such cases is because it is the only preparation that contains tonic iron together with all of the healing, body building elements of cod liver oil, actually taken from fresh cods' livers, but no oil.

Without hesitation, we proclaim our faith in Vinol for chronic coughs, colds or bronchitis and as a body builder and strength creator for old people.

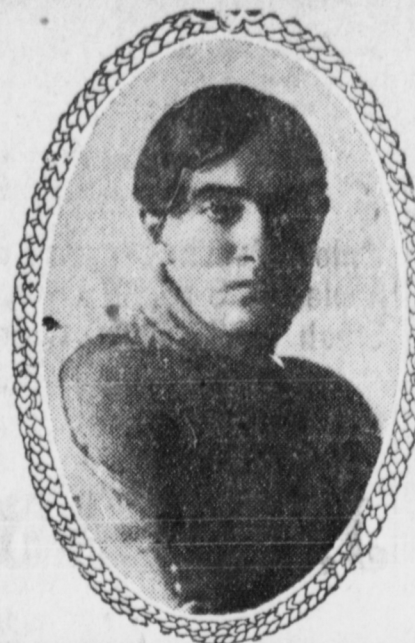

Anyway, if you try it and it does not good we will refund your money on demand.

PROMPT WORK

Prevents a Conflagration and Holocaust in Market Street—Saturday Night's Fire

Saturday evening about 7:30 o'clock the kitchen attached to W. H. Farwick's saloon in Market street was discovered in a blaze, and for a time the entire block was in great danger of going up in flames and smoke.

The origin of the fire is unknown. The colored cook, Ben Lee—who lost all his clothing and other possessions—says there had been no fire in the stove since 12 o'clock noon, and how it started he is at a loss to know.

It was a nasty fire to fight, being in a small court with high walls on four sides, making it almost inaccessible and difficult for the fire boys to get at.

Coughlin & Co.'s livery stable and undertaking establishment encompassing the fire zone on the South and West side were in great peril, and had the flames communicated, with the inflammable material therein, there is no telling to what proportions the fire would have reached.

Fortunately the fire was confined to the compass in which it started, and only two buildings were damaged, both of which belong to Mr. Horatio Ficklin, whose loss will reach at least \$1,000, without any insurance; Mr. Farwick's loss will amount to about \$75, no insurance; Mr. Charles McNamara, merchant tailor, and Mr. Joseph Metcalfe, saloon and residence, were damaged by water.

Are You in the Market for Your Spring Outfit?

You may not think of it, but it does make a difference to you who makes the clothes you wear, especially if the maker is willing to tell you what he makes them of and how. That's one thing we like about the Hart, Schaffner & Marx and Ederheimer, Stein & Co. clothes. (Both these lines confined to us.) They are made of strictly all-wool fabrics, and the makers seem to want everybody to know it. They advertise the fact extensively. It's the most important fact about the clothes. There are plenty of good-looking clothes for sale that are not all-wool; the makers don't claim they are. They don't say much about it. We like to sell clothes that our customers can be positive about, goods that you don't have to take anybody's word for, clothes you know are good. They are easy to sell and satisfaction to everybody.

Public Sale of Mason County Land

As Executor of William Clark, deceased, I will sell at public auction, on

SATURDAY, MARCH 27, 1909,

At 2 o'clock p. m., pursuant to the authority vested in me by the will of said decedent, which has been duly probated in the Mason County Clerk's office, the 27 acres of land owned by him at his death in the Sardis Precinct, on the North side of Shannon creek, in Mason county, Kentucky, about one and one-half miles North of the Sardis and Maysville Turnpike, and adjoining the lands of John Weddel and Richard Douglas and other lands of said decedent now owned by Cleve Grover. It is good tobacco land. There is one tobacco barn on it. No dwelling house. It is in good state of cultivation and well watered, and about two and one-half acres of it are wood land.

The sale will be on said premises and on the following terms: One half of the purchase money due in six months and the other half due in twelve months from the day of sale, with interest on both payments at the rate of 6 per cent. per year from date of sale, the purchaser to give notes with good personal security therefor, and said notes to be further secured by a lien on said tract of land.
